Dear Friends

When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them. **Acts 2:1-4**

Have you ever experienced something so incredible that when you tried to explain it to someone else, you couldn't find the right words? Luke's account of the coming of the Holy Spirit to the disciples describes how a group of frightened men and women are transformed and given a new hope, a new heart and a new purpose. It was so incredible that even those who witnessed it didn't believe it at first!

Two thousand and more years later, it is still difficult to comprehend.

The Holy Spirit enabled the disciples to come out of hiding and proclaim the good news of the resurrection; to set in motion that which Jesus had prayed for 'Your kingdom come, on earth as it is in heaven'. They were ordinary men and women – just as we are and we are also called to proclaim the same good news of God's love for us. Just as these men and women were transformed into energetic and outspoken witnesses of Jesus, so can we be transformed today.

But how can we share God's love? How does the Holy Spirit enable us to find the courage to speak out in faith? We live in a world that is changing around us every day. One of the things we can do is ask God to intervene; to transform our world and our hearts to love one another more deeply; and pray that people would come to know the love, hope, peace of Jesus.

Thy Kingdom Come is a global ecumenical prayer movement that invites Christians around the world to pray from Ascension to Pentecost for more people to come to know Jesus. This year's initiative runs from 9 – 19 May, and there will be opportunities to engage with different events across the Benefice – do look out for them. One thing we could all do is praying the Lord's prayer at 9am and 9pm each day – set your alarm to remind you!

However, engaging in conversations about God's love and transforming power should not be confined to 11 days in the year – if we want to see God's kingdom on earth, then as Christians we must share our stories and pray for our neighbours (locally and globally) 365 days a year (or 366 this year!).

Father God, We pray for The Thameshead Benefice; that we may be truly united as we come together, whatever our background or culture, to worship you sharing our common belief and trust in You. We pray

for peace, respect and unity as we seek to see Christ in each other, inspiring and encouraging each individual to express their love for You. May our churches be places of peace and safety, joy and love and full of your glory. Help us to share responsibility, grow in faith, love one another, care for those in need, reach out to others, and welcome newcomers and visitors. Fill us with vision and joy and keep us faithful in prayer, word and worship and help us to know and share how much each of us are loved by You. May we see your kingdom come here in the Thameshead Benefice, to the glory of your name. Amen.

"In praying 'Thy Kingdom Come' we all commit to playing our part in the renewal of the nations and the transformation of communities." Archbishop Justin Welby.

With love and prayers, Liz Collins (Lay Reader)

THAMESHEAD BENEFICE VACANCY

Currently the churches in our area, which is known as the Thameshead Benefice are without a Priest. On Thursday 11 April the Diocesan Mission and Pastoral Group met and formally agreed for the Thameshead Benefice to proceed with the next steps to appoint a new priest. We now need to finalise the Benefice Profile before advertising the post. Hopefully this will be late summer or early autumn.

THY KINGDOM COME

This year, Thameshead Benefice is marking the time between the celebration of Jesus' Ascension into heaven (9th May) and the Birthday of the Church with the coming of the Holy Spirit at Pentecost (19th May) with a series of events focused on prayer. We will be praying for our communities and for the future of our Benefice as we begin the process of seeking our next Priest.

The events are for anyone to join in, and we've tried to make sure that the whole Benefice is included, especially churches that are used less often.

| Dates in May | Event & Location | Time |

| Saturday 18 th | Prayer walk – Somerford Keynes | 2pm |
| Sunday 19 th | Services across Benefice Source Picnic | |

Compline is a short said service of prayer at the end of the day. The prayer walks which will be gentle, starting at the village church and aiming to be back within an hour.

The 24-hour prayer event in Kemble will be in the new prayer room kindly hosted by Jill & Martin Kingston next door to the church, with people invited to sign up to 1-hour timeslots.

Whether or not you can make it to one of these events, we would also encourage you to take a minute at 9am and 9pm each day to say the Lord's prayer wherever you happen to be, knowing that others across our Benefice will be doing the same.

There will also be a **children's poster competition** with the subject being '*Our Church and Village Community*'. The deadline will be the end of the day on 31st May. Please scan or take a picture of entries and submit them by email to the address below. We hope to be able to declare winners for each village and for the Benefice as a whole.

GEOFF MOORE

The funeral of Geoff Moore took place at St Mathews Church Coates on Friday 5 April 2024.

Geoff and Philippa were resident in Coates for 33 years until illness forced a move. Geoff always expressed a wish to be buried in Coates where he found peace, contentment and a strong sense of community. Geoff was for many years a Coates Parish Councillor, tree warden and leader of the litter campaign.

Philippa and the whole family wish to express their heartfelt thanks for the kindness and support they have received from Coates; from Pepita Walker and the members of the church which looked lovely on Friday; the village hall committee and most especially from Coates Kitchen Volunteers who produced such an amazing reception. Thank you all.

Long may the Coates Community Spirit flourish.

NEWS FROM SAPPERTON AND FRAMPTON MANSELL

TALKING TO MYSELF

I've been sitting by my window looking at the world outside. Thinking how it has changed since yesterday. We have a beech hedge that runs down the garden. A couple of days ago all the leaves were still brown but now they are turning green. It fascinates me as to which part is now in green leaf and which is still dull worn out brown. Why doesn't it all start to show change at the same time? Does some get more sun than the rest; but that isn't the case because some that is never in the sun is now green. Is it because some of the 'hedge trees' are older than others? But that isn't true because they were all planted at the same time. It is one of the things that make nature so fascinating. Nature is in control, we can help or hinder it but we cannot change it. I could spend hours just gazing out of the window. Pity there isn't more free time!

Jesus said; 'Look at the birds of the air, they do not sow or reap, yet your heavenly Father feeds them.' He also said; 'Consider the lilies of the fields; they do not work, they do not spin, and yet' I wonder do we spend too much time wanting to change ourselves and not accepting that we are what we are. We may admire other people because they are slim, or beautiful or brainy. If we were all identical would that make us all better? It is good that we are all different. It is good that some people want to be farmers while others enjoy mucking about in boats. God has made us individuals not robots. Let us rejoice in our own abilities and be ready to use them to help those we meet along the road.

Our school at Sapperton has been undergoing a bit of a spring-clean. We are so grateful to our families and local community who came to help us tidy up our beautiful outdoor space after a dark and rainy winter. We have planted new flowers to add a splash of colour and stripped back some of the space so we can explore even more. Our mud kitchen has been cleaned and exciting new additions to the planting area have been added to help create the best mud pies in Gloucestershire! Beech and Maple (Reception and Year 1 and 2) have been enjoying the outdoor learning. We are never too old to enjoy mud pie making and pond dipping though, and Elder Class have sneaked out for a little play too!

Recently, our learning in the classroom has also had some exciting new projects. We love Free Write Friday and cannot wait to see what the next topic will be through our Inspiration Worship. Sharing our pieces with the younger children and seeing what they write too is always great fun. Friday is also the day when we share what we have been reading at home. Book Club is even more fun when we can enjoy it outside in the sunshine!

If you listen carefully enough on a Tuesday or Wednesday afternoon around Sapperton village, you may hear the dulcet tones of the recorder or trumpet! Rowan class (Year 3 and 4) are learning to play the recorder in their music lessons and we also are learning the trumpet in Elder Class! It is a little noisy but it is also great fun being able to play as a group and we are recognising some of the pieces of music. We are looking forward to performing these pieces in a few weeks to the rest of the school.

NEWS FROM RODMARTON, TARLTON, CULKERTON AND HAZLETON

RODMARTON, TARLTON, CULKERTON AND HAZLETON NEWS

Forthcoming services at St Peter's, Rodmarton & St Osmund's, Tarlton

These are listed at the front of the Watershed.

Sunday 12 May, 11am: Tarlton Rogation Procession at St Osmund's Tarlton, please join us as we process around the village before returning to the church for refreshments.

Monday 13 May 2pm: As part of the *Thy Kingdom Come* benefice initiative, please join us for a Prayer Walk, starting at St Peter's Rodmarton. Refreshments afterwards in the church.

Sunday 19 May 11am: Whitsun service of Holy Communion at St Peter's

Sunday 26 May 10am: Trinity Sunday Benefice service of Holy Communion at St Peter's

Food bank collection points are in St Peter's, Rodmarton and St Osmund's, Tarlton.

The 17th century English parson and poet George Herbert (1593-1633) was particularly fond of Rogation worship. "Particularly, he loves Procession, and maintains it, because there are contained therein four manifest advantages.

First, a blessing of God for the fruits of the field: Secondly, justice

in the Preservation of bounds: Thirdly, Charity in loving walking, and neighbourly accompanying one another, with reconciling of differences at that time, if there be any: Fourthly, Mercy in time is, or ought to be used..."

Sunday 2 June Big Summer Lunch, Rodmarton Village Hall

12noon to 4pm Please join us for a delicious Summer Lunch, with festivities, food and friends. Folk Music with the Avening Brass Band, Pimm's and Wine Bar, Big Pudding and Cake Auction, Floral Table Decoration Competition, Fun Dog Agility Course, Tug of War and traditional Children's Games. For enquiries and tickets: 07974

We have been treated to fantastic performances from the Rock Steady bands at Rodmarton this week, who entertained both staff and parents at their recent concert. Children from across the school – Reception to Year 6 -worked as individual bands performing a song of their choice, each child playing a different instrument including drums, electric guitars, keyboard and bass as well as vocalists. The term has been full of music with Oak class also coming to the end of their weekly trumpet lessons. A concert for parents and the school will also be held by the Oak Class trumpeters.

To support the teaching and learning in Sapling Class this term, the children visited the Corinium museum in Cirencester. While the museum is well known for local Roman artefacts, it also holds several Anglo-Saxon and Viking pieces from the local area. The children took part in a workshop and had time exploring the museum.

Across the school, the children have taken part in a range of sporting events. Year 3-6 children were invited to take part in Cross Country races at Deer Park and Kingshill schools. With around 25 children in each race, the event was competitive but the Rodmarton runners held strong positions and most importantly enjoyed taking part. A special mentioned must go to Arthur, who finished both these races in first place. In addition, Arthur has represented the school at two County races in the last few years and has placed within the top 15 for the County – well done Arthur.

Sapling children have taken part in an Orienteering event at Westonbirt Arboretum – having fun finding controls around the historic site. A team of Year 5 and 6 children entered the National Schools Dodgeball event at the beginning of the month. Rodmarton was by far the smallest school to attend but this didn't stop the children securing 3rd place overall within Gloucestershire. A huge achievement.

Rodmarton pupils have also been busy competing in an Oracy event. Three children, one from each of our classes, were selected from school and took part in the Cirencester area competition – with over 30 other schools. Our competitive journey stopped there but our love for Oracy has definitely been ignited.

Finally we wish to thank Bryher for her committed service to Rodmarton's Watershed; updating the local community of all the schools goings on and always being our champion.

NOTES FROM CULKERTON

GARDENING TIPS FOR MAY

May is a beautiful month, when spring steps into summer; the big question is how will the weather unfold? As I type this piece the Meteorological Office has released the latest figures for March: record breaking warmth and precipitation. For gardeners, this combination is ideal growing conditions, the difficulty is getting out into the garden and making the most of short dry spells. Our narrow grass paths on slopes have at times become sloppy mud and decidedly dangerous with several slipping falls. Time to make a few changes; perhaps add a central double line of bricks and steps.

There have been very few frosts in spring. A few weeks ago my allotment neighbour planted out four courgettes as the temperatures were acceptable and possibly there will be no late frosts. This is worth trying if you are prepared to replace plants if they fail. Be bold and tenacious.

Usually, May is the month of fruit blossom, especially apple trees, many of these have bloomed ahead of schedule. Fortunately, our friends the pollinating insects have been active earlier as well.

Interestingly for the observant amongst you readers, some flowering trees including different varieties of apples will have noticed some stayed dormant while others came into bloom. In early April, I had worried gardens asking if the trees had died over winter. The trees duly sprouted after the daylight hours increased. There seem to be two main triggers for plant growth: temperature and light. Therefore, some varieties of apples were responding to the mild spring weather and others were waiting for longer days.

My hibernating hedgehogs also emerged with the longer days.

All the plum family of trees bloomed well during mid-April, fingers crossed for a good crop of fruit from these, our greengage was full of blossom looking like a giant spirea in bloom.

As we all had delayed gardening sessions with the constant rain for many months, our winter tidy up was disrupted, so now is the time for a good spring clean of the garden. Clear out any 'might be useful wood', old rotting canes, or old spoilt wooden garden furniture. Get on to weeding, especially on dry sunny days when it is a pleasure being outside. Check woody plants for die back and trim lightly also remove dry standing stems left over winter. As narcissi and tulips finish blooming, remove dead heads and give these bulbs a Tomorite feed to help make good bulbs for next year's blooms.

NOTES FROM CULKERTON (cont)

There are so many seeds to sow this month, Runner and French Beans, either in pots or direct, depending on weather or space. Herbs, parsley, coriander, dill, fennel including the bulbing types. Courgettes, squashes and pumpkins. Summer lettuce and rocket. Sweetcorn direct if the soil is warm. All next autumn and winter's brassicas, Brussel Sprouts, Kales and collards. Plant out tomatoes and sow basil.

Make your garden joyful with as many flowers that will fill spaces, annuals as seeds or small plants. Pots full of summer flowers wherever a space needs a shot of colour.

SPRING RISING

We would have had a wonderful Easter, had the UK implemented its 1928 Easter Act, which sets Easter for the day after the second Saturday in April – but has never been enacted. That balmy mid-April weekend, warmth and sunshine broke through spectacularly, for the first time since early October: Swallows and House Martins arrived and skimmed the stilling skies, Chiffchaffs dink-dinked in every copse, Holly Blue and Orange Tip butterflies wandered the lanes as if out of Narnia, and our world arose from several months of flood, bog, mud and pothole. As it was, the cold and interminably wet early Easter of 2024 is best forgotten...

The mild winter and early spring meant that many elements of our flora and fauna have leapt ahead of any norm we might want to apply, notably the vegetation. By mid-April I had seen Elder in bloom, and Ox-eye Daisies and Red Clover flowering along road verges. Now, those are features of early June, or late May in an early year. This was on top of oaks being well in leaf, and in flower, and the bulk of the nation's daffodils being finished by that dire early Easter. As Fred Trueman used to say on Test Match Special, 'I doan't know what's going off out there anymore...' (usually in response to England fielding without a Third Man).

The state of the nation's caterpillars speaks even louder, though few of us assiduously work them. Insect's push limits, any limit: indeed, for insect, think wannabe locust. Here it can be revealed that the caterpillars of many of our midsummer butterflies are three or four weeks ahead of their norms. Only the rains have held them back, the winter and early spring temperatures didn't. Unless the rains continue

NOTES FROM CULKERTON (cont)

ad nauseam, butterflies like Meadow Brown, Marbled White and His Gloriousity the Purple Emperor are going to be well out by the start of June – unprecedentedly early.

We are left pondering, whatever next?, in the absence of any semblance of a longer range weather forecasting system. The one thing the beleaguered farming and building industries – and many others – need is a confident seasonal weather forecast system, but we're lucky if we get an accurate weekly forecast. Moreover, those of us who regard themselves as being relatively in touch with the natural world, find that they have lost the one thing they relied on most – confidence in their intuitive feel. 'I doan't know what's going off out there anymore...'
